“ So very sorry Tracy and Joey. I will always remember her smile at Subway. My mom, Mary and Lynn, shared the same birthday. They had a blast tooling around to many events and talking and laughing. Lynn was always so sweet to our family. I hope her memories help you thru this difficult time.

“ Lynn and I spent many hours talking on the phone and laughing about the different things we did. We would get together for lunch and spend time together. Loved her homemade spaghetti sauce. She was so happy to be in Arkansas. I have never seen her smile so much. Lynn will be missed.
