“ Marge and Harold have been my longtime friends. I remember when they were dating and Harold would drive by our country house on the way to meet Marge. My wife, Barbara Gibbens, taught both Tim and Jeff in the 4th grade at Walnut Ridge Elementary School. We will miss Marge’s kindness and her positive outlook.

I have known Marge since 1967 when I began to work for Dr Willmuth. I worked there until 1986, but never really knew the real Marge until the last few years when she became disable, and I would sit with her when Dr Willmuth had appointments or was in the hospital etc. I found her to be a very caring, loving person. We had many conversations about our childhood, and found that we grew up in very similar circumstances, families with lots of love and not a lot of material things. We thoroughly enjoyed our time together, and I will miss her so much. I think of her every night when I say my prayers, because when I would spend the night with her she would always tell me good night, then “don’t forget to say your prayers”. Rest In Peace Marge, I’m gonna miss you. Lorazell

I was a teenager interested in a dental career when Doc and Marge moved to Walnut Ridge. They were committed Christians and taught in the youth department in the church I had grown up in. Marge was the sweetest person and best friend anyone could ever ask for. She and Doc took myself and my young wife Dixie, under their wings and mentored us through dental school. When I finished my dental residency in Dallas they made a place for us in their lives and in Doc's dental practice in Walnut Ridge. During the next 45 years our families spent many hours together sharing good times and sad times. Marge and Dixie and their strong faith in God were the glue that every family needs to see them through those times. Thank you, Marge for your commitment to us, to our families, to this community. Everyone who knew you loved you. My Dixie left this earth barely 12 weeks before Marge and they are now gathered in the arms of Jesus sharing how they had fought the fight, finished the course, and kept the faith. Now they are in the place Jesus has prepared for us. Let us, too, be able to say, "As we pass through this valley, this shadow of death, we shall not fear, for GOD is with us."

I have know the Willmuth family for many years, since I first came to Walnut Ridge. Doc was our family dentist for many years. I got to know Marge when I had both sons in school. I always enjoyed visiting with her. She was a sweet, kind soul, and she was a very devoted wife and mother. Rest in Peace Marg. Prayers for Dr. Willmuth and the family.

I started working for Marge in June of 2009. She was one of the sweetest Ladies I had the pleasure of knowing. We shared a lot of things about family, and likes and dislikes about life. I will miss her and her kindness. Fly high Marge.

Marge was such a great friend to my mother Pat Hicks. After my Dad's accident which put him in a wheelchair Marge and mother went to BRTC and took classes in painting. I believe they were both the teachers pets. She helped Mother though some dark times that I will forever be grateful to her for. ❤️🙏
