“ My thoughts and prayers go out to this family! I was one of the first few people on scene after the accident and I called 911. I have not stopped thinking about Mark and his family. I know that God is our Source of comfort, and I am confident He will give you strength through this difficult journey.

“ I loved working with his mom, Connie. Connie was so very proud of her children. She used to talk about how Mark might become a priest. He was always so serious.
I didn't really ever communicate with Mark after he became an adult but my daughter, Savanna, had him as a chemistry professor and absolutely loved him! She said he was wonderful. I know his family will miss him terribly! Prayers for his children and Angie!

“ I wasn't really close with Papa Bryant but the way Caleb and Noah talked about him he was a great guy. I remember saying hey to him Friday at Noah's ASUN graduation. The one time I talked to him for a while was the first time I met him and he just seemed like and over all great person. We all love him dearly and wish him the best heavenly life. ❤️🙏
