I've known Martha my whole life, went to school with her children and worked with her at Skil. She was one of the most sweetest and funniest person I knew, she could always make you laugh and cheer you up. She will truly be missed in the Clover Bend community. I remember as a child Alan and I going to Martha and Jerry's house for trick-or-treat.

“ I remember many many times hanging out with Sonia and watch her starting supper before her mom got home. I spent many afternoons there with her and her mom, everything was always hustle and bustle getting ready for supper and homework, laughing and making memories. Ballgames, supper and good times!! I loved Martha and her entire family, especially for my dear sweet friend Sonia. Prayers for the entire family - so glad they came into my life when I joined Clover Bend at 16 years old. Hugs and much love during these hard days ahead! Sherry Chamblee

“ It saddens me to think of the loss of Martha. I think of the beautiful Bible verse where God has gone and prepared a mansion in the sky for your Mom while their are no pain. We love our Moms and never want to let go but there comes a time when pain is more than they can stand and God takes them home to be eased of all the suffering. There are a lot of good memories we have. We all have talked a many of words while we all worked together. Your family are in our thoughts and prayers. When the road gets hard just say Jesus hold my hand.
Jesus is your Comforter.
