“ *I remember the weekends that we would go and visit with Polly and the family back in the early 80's..her and my mom would cook supper while us kids played outside..my little sister and I would stay all night with them and would have a ball..*

Polly was a very wonderful, thoughtful, kind and caring woman..I will miss her so very much though it has been sometime since I have seen her..I am so glad I will have loving memories of Polly for the rest of my life..

R.I.P. Polly..you will always be remembered in my heart and thoughts..I love you!!
