“ *Michael helped on the farm in some of the best years of my life he was always great with Teri and my three kids. We would have baseball games in free time and I would have him and Andy M push the kids on their bicycles to get them to ride. Mike was not raised on a hog farm but we taught him what needed to be done and there never was a no to trying. We had an old snowmobile that he and the Kautz boy would ride and they put a clutch in it when the original went bad. Lots of laughs and a lot of teaching went on. May God bless you Michael as you will be in our hearts and memories as we journey through life. Always with us, The Mensendike's*

“ *I'm so very sorry for your loss. My prayers are with your family & his son. I'll always remember what he said at a class reunion when I asked what he was up to, "I'm building trailer parks. It's pretty steady work with all the tornadoes." He was a very funny guy that will be missed by many ?*
