“ During the early 80's I was the Minister of Music at The First Pentecostal Church in Jonesboro, AR. During my tenure, I became acquainted with Bro. & Sis. Alphin and some of their children. They were "pillars" in the church. It was obvious that the congregation held them in high honor. Sis. Alphin exhibited the fruits of the Spirit in her daily life with meekness and humility. What a great legacy that she leaves for this wonderful family. I give honor to her memory and will be praying for Bro. Alphin, Mark and the entire Alphin Family. May God bless and comfort you.

“ Dear Alphin Family,
I am so sorry for your loss, but I rejoice at heaven's gain. Our families go way back! I am blessed to have known your mother. She was one of the sweetest, kindest ladies I have ever known. As a young person I would see her when I would be out shopping and she would always come to where I was and speak to me and ask about my grandparents, Bro. and Sis. Loy Greer. I visited her home in Jonesboro with some of the children as a teenager and she always made me feel welcome. May God bless you with strength and His loving comforting arms in this time.

“ This lady was "one in a Million", and I was lucky to have known the Alphine family in the 60's in Walnut Ridge, AR. She was a kind and gentle person, who always took time for others. What a wonderful world it would be if there were more Mildred Alphines.

“ *We loved Bro. and Sis. Alphin so much. We stopped by to see them last October. We had a wonderful visit. Sis. Alphin gave me some cuttings from her garden. She had a beautiful garden. I will always think of her when I look at these plants. She will always be remembered as a very sweet and elegant Godly woman. I could always see Jesus in her. That sweet little voice was always so calming. I loved her dearly. I will truly miss her. She loved all of her family very much. In fact when we visited them, they both talked about their children and family. They are both loved very much !!*
