“ *I met Nancy at the Kingdom Hall. She was such a loving, caring person. I have problems with illnesses and Nancy would call on me and check on me when she hadn't seen me for awhile. We also would get to gather and play cards. Nancy was a very faithful sister. She always was at the meetings and in our witnessing. With her issues, it was wonderful that we did it on Zoom. She never had to leave the house. I know Nancy is not hurting any longer and for that I'm grateful, but I will miss my friend. It will only be a short time and I'll be with her again and it will be wonderful to see her in no pain, no oxygen tube and ready to race. I know I will see her again. Her future is secure.*

“ Nancy was my spiritual sister. I loved her very dearly. When she would meet with us on zoom she always put a smile on her face. She loved to play games. When things went on lockdown because of the pandemic we decided that we could play Yahtzee on zoom. Some of us would get together and play it we had such a good time. She was a faithful sister and will be missed by our congregation very much. She faithfully shared her beliefs with all, all the way to the end of her life. We will see her again soon in Paradise on Earth.
