“ *I had the pleasure of getting to know Nicole when she was in high school. I was the secretary there at the time and she worked in the office for me. I haven't seen her in years but reconnected with her through Facebook. She was a sweet, caring, funny and beautiful person. I will miss her.*

“ *I just found out about Nicole's passing. I am sorry for your loss. I only met her a few times at the Woody family reunion but she seemed like a wonderful woman.*

“ I am so sorry to hear of Nicole passing. I had not seen her for many years but my heart breaks from the loss of her. She was a truly wonderful, lovely person and this world is a little colder by the loss of her warmth. I wish I could be there to show my respect but I can not make it. Keeping you all in my prayers. You will be greatly missed sweet Nicole.

“ Nicole always carried cool water, and soft drinks for riders once they all reached their destination. And she never asked for a penny. I know from first hand of being thirsty and on top of that, being a diabetic. That coca cola sure did come in handy in order to get my sugar level back up to par. Thank you Nicole. Gosh.. I will miss you.

“ I had the privilege of being Nicole's Sunday School teacher for several years. She was one of the sweetest girls I ever. She grew onto a kind and caring woman that I was honored to know. She will always be dear to me and remembered with fondness.

Nicole vigorously and unselfishly donated her time to numerous benefit rides to help common people in need. God made her a perfect candidate for this. Wherever she was, her light shown so we all could learn that there is nothing wrong in caring for the unfortunate, and it is the greatest gift we all could ever offer to one another. Rest in Peace my Friend
