“ *Twenty five years ago we moved to Hoxie and became neighbors with the most wonderful people, Mama Chris and Pat. They were so welcoming, friendly, kind and decent people, they made us feel right at home. To say that I love this family seems so inadequate, admired, respected just a few of the words I think of when I think of them. Pat had the most beautiful spirit filled with love, laughter, acceptance and never judge mental of other people. She adored her nieces and nephews, she said you were her children, in every sense of the word. She loved all of you so very much, but I know that you know that. I also know Pat is in a far better place and has great peace. I would never wish her back, but she will be deeply, deeply missed...love to all of you.. God Bless*
