“ I moved into the neighborhood in August 2020. I live in the apartments down from Mrs. Hicks house. Every time I would walk my dog and she'd be outside, which was alot. She would be weeding, pulling or planting. It was such a great pleasure to get to know her.

“ I have written this post and deleted several times. I do not have the adequate words to express how I feel about the passing of Ms. Pat but I do know that her family before her has been waiting for her and that it is a beautiful reunion in heaven with her husband, daughter and grandson and many other family and friends . To Ms. Pat's family Joey and I are deeply sorry for the loss of Ms. Pat and you are all in our thoughts and prayers.
