“ *She had so much love for her grandkids even before they were born that she had a library for them. She gave each grandchild a name. Emily is her Lil Darlin, Sarah Grace is her Bright Eyes, and Memphis is her Bubby!!! She definitely left her mark on all of us so much that we know we will never be the same with her not here. We will keep our promises to her and never forget what she taught us. Fly high Nana and soar on wings of eagles we will love you until the day after forever!!!!!!*
