“ *Phyllis always had such a warm heart.
She effortlessly loved whole heartedly.
She was humble and very grateful and appreciative for all she had/
never taking others for granted and nurtured her relationships with
others.
She always spoke highly of her loved ones: family and friends.
She would go above and beyond to help others in the time of need.
One knew she loved her family, friends and her fur babies whole
heartedly by her selfless acts of kindness.
Phyllis always called me : "her Angel"
I will forever be grateful that God placed us in one another's paths.
Rest in Peace my friend/"my Angel".*

“ I will never forget Phyllis she was always a true friend that thought more of others than she did her self. I will miss her yelling down the street just to say hi to me.
