“ I am so sorry for your loss. I have very fond memories of Brother Goodman and his family. He was a great, great man. I will never forget him. He came to my house after a church service one Sunday and talked to me and he told me that he knew I was fighting a battle while at church about coming to the alter. Brother Goodman saved me right there in my living room. A few weeks later he baptized me and I became a member of Freer Baptist Church. I have so many memories of him, his wife and grandchildren. Brother Goodman you will truly be missed. Until we meet again.
