“ I only knew Randy as a kid. Him and my older brothers would run around. He was always happy to see me in later years. Rest in Peace. Love you.

Aunt Gladys house is where we spent our vacations every year. Every year me and jr would hang out with Randy having fun. One year I remember a blind horse was pulling a wagon of some sort and we were on it. We got stuck in the mud! It was fun because Randy made it fun. Jr and I went down there a few years back and he came to the little hotel we were in and we had a great time just talking and visiting again. I love him so much. I'm so sorry you had to go. Just know you are loved and will be missed. Rest In Peace now Randy. ❤️❤️
