“ *I am so sorry for your loss. I loved your mom and have so many wonderful memories of her. Spending time at the Singleton's house was a huge part of my childhood and teenage years. Thinking of all of you during this difficult time.*

“ *So sorry for your loss. Praying for peace and comfort for the family during this difficult time. I have so many loving memories of Rebecca. We went to school together at Southern Baptist and shared so many wonderful times together. She was a beautiful person inside and out. I know she will be so terribly missed by everyone.*
