“ *My memories of my Uncle Richard, go way back to my childhood. He was always doing something with his horses. At Grandma and Grandpas house, there was an arena just down the road and he would be down there riding in all the events. I believe that is where my love for horses came from. Grandma would say, don't you go down there by those horses and I would say I'll be ok, Uncle Richard will watch out for me. He was my favorite Uncle, he was a very tough guy yet a very loving person, and I will miss you dearly, till I see you again. I love you Uncle Richard!!!*
