“ I spent a lot of time with your family when I was younger and always felt like part of the family when I was there. Some of my favorite childhood memories came from being with y'all. The one thing I remember clearly is every night walking into the living room and seeing robin on the couch watching Star Trek and then of course there were the weekend trips to see their family and hanging out at the skating rink. It seems like ages ago but I was very saddened to hear of her passing. Prayers for the family and all of you beautiful girls and grandchildren.

“ *I can remember seeing your mother getting all you girls outside to get on the bus in the morning with her smiling face! I bet those were interesting mornings getting 5 Girls ready for school.
