“ Robin Whaley was spunky, smart, and a nice fun guy to know. I enjoyed talking to him at the Clover Bend School that he always supported and volunteered for. Robin will truly be missed. I feel lucky to have known him and his family . They are truly good people and you always felt the good will and Christian care from Robin, Francis, and his family. I know Robin is in a good place and we will be enjoying his company again in due time!
