“ *My dad was the strongest man I've ever known. There isn't a day that goes by that I don't remember something he said, did or helped me with. He loved his grand kids like crazy too,. In the end I know that he is in a better place, no pain and dancing on both feet, watching us all grow and remembering the good times we've all had with him. Always in our hearts. And I can't wait to see you again.*
