“ *Kiley and I became very good friends a couple of years ago although we had known each other since we were in high school! No matter how bad a mood or upset I may have been he could always make me smile. I could be angry with him about something but as soon as I would see that grin it would all go away. I will miss you so so much my friend but you will forever be in my heart!*

To Roxanne, my great niece and Kylie's other children, grandchildren and parents; I am so very sorry this had to happen to such a young nice looking young man. Like it was said, he had a beautiful smile and the prettiest eyes.

I know your grief is overwhelming; but know that the Lord will help with that.

He won't put on us more than we can stand

Rest in peace Kylie.
