“ *I remember the day I met you. From the first conversation I knew you were someone special. Even when I was battling my addiction, you always made space in your schedule to talk and listen. You have always been my counselor in my recovery. Thank you for believing in me when no one's else would. I will carry on the dream we had of saying lives and changing dreams into reality. Give me strength oh Lord as I walk this path for my brother and I. Love you bro. Rest in love till we see each other again in paradise.*
