“ Ruby was like a second Mom to me as a kid growing up. I spent alot of time at their house hanging out with Ricky and Wayne, camping, messing with old cars, and getting into trouble. Many times us boys would come home from partying and have the giggles, and Ruby would come into the bedroom and say" Ricky Dean" you boys better get to sleep before you wake up your Daddy.. the whole time she said this, her eyes would be closed; then she'd open her eyes and tell us there was bologna in the fridge if we were hungry.. God bless you Ruby; and the Swindle family .
