That was beautiful, Miles. Sandy and I walked to school together over so many years laughing and talking. So many sleep overs. Riding in the back of Ted's truck after football games yelling and laughing. Going on dates together with Sandy and Bill, watching them fall in love. First their wedding then a year later ours. We missed them so much when they moved away. Whenever we got together it was like we had never been apart. She missed Bill so much. I know that she is happy with him now. Sally Riggs Diggs

“ *Ms. Neighbor,*

Where do I begin, we have well over 20 years of friendship. It started out becoming friends with Neighbor aka William (I was allowed to call him Mr. Markham, that was his father, anyway fast forward and Ms. Neighbor becomes very close to my family. My husband Joey and son Carson would go over and do things around her house and before I became disabled if I was out or vice versa we would make sure neither of us needed anything. Ms. Neighbor was an amazing person and friend. There will be a major void in our family and neighborhood. The blue house across the street will never be the same. I love you Ms. neighbor and I know that you are rejoicing in Heaven being in neighbors arms again. Until we meet again....i will look for your in the stars, I love you and you will truly be missed.
