“ *I miss you so much. I still remember you singing random tunes and tapping your feet and fingers at the kitchen table. Your laugh when I said something incredibly funny and you telling me stories. I remember sitting next to you at the kitchen table and you giving me advice on something and you trying to make me laugh. Most of all I remember all the hugs you gave me and telling me I love you and I am proud of you. I never realized how much I would miss all that until you passed. You are forever in the heart and memory and I will always love you. I love you, Dad.*
