"I will always be with you"

When I am gone, release me, let me go. I have so many things to see and do,
You mustn't tie yourself to me with too many tears, But be thankful we had so
many good years. I gave you my love, and you can only guess how much
you've given me in happiness. I thank you for the love that you have shown,
But now it is time I traveled on alone. So grieve for me awhile, if grieve you
must Then let your grief be comforted by trust That it is only for awhile that we
must part, So treasure the memories within your heart, I won't be far away for
life goes on. And if you need me, call and I will come. Though you can't see or
touch me, I will be near And if you listen with your heart, you'll hear All my love
around you soft and clear And then, when you come this way alone, I'll greet
you with a smile and a "Welcome Home"
