“ Mamaw, I am so very sorry for the passing of Papaw. I know he is home were is rejoicing. I want you to know how very much Manda and myself enjoyed the time that we got to spend with you two. Chopping wood, bringing it in for you, the chickens. The time and wisdom that we learned from you all in the time we spent together was so much better than any video game I could have chosen to stay at home and played. Mom and Dad moving us to Egypt was a really good thing because we got to hang with you. I love you both, I thought a lot of Papaw. I know he is no longer in pain with his leg and that is great. We was so sad when you moved. I am sorry I will not be attending the funeral. It is not because of you. I had made plans and I know he would not want me to break a guys river trip to say a goodbye, because he will always be in my heart and there will never be a goodbye. I love you.

“ Bro. Ted was a great friend for so many years. But they that wait upon the LORD shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint. Praying for Gods comfort Sis. Lizzie. We love you.
