“ *Terral and I worked side by side for over 15 years, He was someone I could always count on and will be missed by me and others here at Farm Service. I hope his family can find some peace in knowing what he meant to all of us here and the many customers who asked about him daily. He always talked with pride about his family and you could tell the love and passion he had for all of them. Working together for so long I have many memories I will never forget and he will be missed.*

*The family will be in our thoughts and prayers.*

“ I have so many fond, loving and funny memories of Terral. He was one of my best friends when I was in High School. He bought me my first Mazzio's Pizza in Paragould. We danced to Madonna together. He told me that he loved when I lip synced 80s music. He let me drive his car when he said no one else was allowed to drive it. He gave the best, most genuine hugs. Terral always had a smile and laughed at whatever I meant to be funny, but probably wasn't. I could go on with my wonderful memories of Terral. I will always love him and miss him. My sincere condolences to the Manning Family.  
With love, Vanetta Gee
