“ We were on our way home from Wichita Kansas and called back to my dad, Vernon (VK) letting them know we were close to Atlanta, almost home. He let me know his brother had passed from this life to the arms of the Lord. I so appreciate the many wonderful memories of Herschel, Betty, and all the tribe as my family would visit the farm in Imboden and later in Walnut Ridge. I so want to be there to celebrate his homegoing with you Smithins but I was away for a few weeks with family in Kansas. Know that I and my family have you all in our prayers and thoughts every day. Especially Thursday and Friday. I hope we can cross paths soon and tell tales the way they should be told.

Love you all,

Allen Lee Smith

“ *I'll never forget the day I got a phone call from Herschel asking if I
knew where he could find a good French teacher and a good
science teacher. He was principal at Piggott High School, and he
knew my husband and I were looking for teaching positions. We
went for an interview with the superintendent. He said since
Herschel recommended us, it was good enough for him. Thus
began a new chapter in my relationship with Herschel Smith. He'd
been my teacher at Sloan-Hendrix. He became my colleague at
Piggott. As a teacher he was dedicated to his students, mixing
humor with classwork. As an administrator he was dedicated to his
faculty and students, providing necessary leadership that led to an
effective school community. I am proud to call him my friend.*

“ *Robert grew up with the Smith boys. Even tho their paths took
different directions they remained life long friends, Hershel was a
good man and he will be missed by many people.*
