“ First off let me share a memory of my brother. As childern he teased us often. One particular time he held my favorite toy over a fence. As I jumped up it caught the inside of my arm. I needed 13 stitches. It was painful. For my painful experience is now a good memory.

Right now I know your hearts are breaking. May good memories fill your hearts.

“ To all my grandchildren:
*I know this is a mighty hard time for you to go through.
We will keep you in our thoughts and prayers. That you remain strong with the loss of your dad.*

*We liked the Marine Corp emblem for your dad.
He was so very proud to have been a Marine.*
