“ Goff Family:

We were very sad to recently hear of Thomas Sr.'s. passing. My brothers and my mom also send their condolences.

Please be comforted knowing that his memory will not be forgotten, and neither will Paula's.

I will never forget Thomas Sr.'s 'sense of humor'. To this very day, i was never able to figure out when he was joking with me or when he was being serious. He was always so much bigger than me, that I tried not to question it!

This is yet another reminder that we never know when our time will come; we just have to make sure we're ready when it is time. I like to think that Thomas Sr. lived ilke that also, since he was always nice to me and family, even when Thomas Jr. and I were being idiots :)

I feel the same way today, as I did a year ago when my Dad passed....They just don't make 'em like this anymore.....
