“ *First memory that comes to mind. High school, on a parade route, I'm low brass so behind the percussion line. This fire hydrant shaped tri-tom player sees a coke machine off to the side, takes off his kit, turns it around, hangs it on the person in front of him (we're still marching in the parade btw), runs over, buys a coke, comes back, and completes the parade playing one handed, passing the coke around. Or the time he forgot his black socks, and the rule was.. no black socks, no socks at all so he marches sockless a half time show. Or Tim, Myself and Laura Burns, a three person youth church choir setting up the full sound system, drum kit and performing our whole memorized traveling show in the front yard of our youth choir director's parents yard, just for them.*

Cheerleading in College together, trading jabs about Pike's 'vs' Sigs. Always smiling, always looking like he just got his wisdom teeth out with those cheeks. Never perfect, but always facing forward with optimism, whether real or practiced until it became real.

“ The WRHS Class of 1984 was honored to have Tim as a part of our class. Tim always was ready to share a smile, a bit of laughter or a kind word. His talent and showmanship on the Pride drums and love of the basketball court will not be forgotten. RIP Timothy!!! Give Lyle and Loretta hugs! We shall meet again!

“ I've had the pleasure of working with Tim and Suzanne for several years in Pensacola, FL. Tim always had a smile and lifted the spirits of those around him. His enthusiasm and desire to assist in any way he could was endless. I am a better person and the world is a better place for having crossed paths with Tim.
My prayers are directed to Suzanne and all of Tim's family and friends.

“ Tim was the same age of my brother they played baseball at the Walnut Ridge park. Practice was with Coach Watson. Tim was a talented player and if he did get out he would try to talk his way into safe. He could usually convince them all he was safe. He always worked so very hard in things he did.
