“ I always remember the family Thanksgiving and Christmas get togethers. From deer hanging from trees and smoke filled rooms to grandmas banana pudding and Grandpas hilarious stories. It was always so nice to see Uncle Tommy and Aunt Sherrill along with Thomas, Jessica, and Summer. How I wish I could go back to those days where we were all singing and enjoying being together. I know that Tommy is reunited with his Mom and Dad and brothers. It is hard to let go of the wonderful man that he was, but we all know and believe that we will be with him again. Just a temporary goodbye but it's still so very painful. We love Tommy and will sure miss having him here with us. Sincere condolences to Sherrill, Thomas, Jessica, and Summer.

“ Tommy was always a cute lively little brother. He would obey doing his chores around our home. Carrying water from the spring, splitting wood for the stove, playing kid games outside with us all. Tommy was a very people person. He enjoyed meeting and talking with people. He loved to laugh . I will always remember his infectious laugh.

Aunt Sheryl, Thomas, Jessica and Sommer there's not a better family than a close, loving one and you guys really were. There's always ups and downs but love sees it through to the end. Hold on to that love. It's still there inside you and comes out of you every time your kindness or laughter comes shining through.
