“ Wanda was a rural neighbor of our family in the late 70's - her family lived down the gravel road. She and my mom were great friends and I would babysit for her at times and I remember Tammi very well, and I recall when Jason and Emily were born and loved to babysit when Mom and Wanda would go shopping together. Tammi was my sister's great friend and our families spent a lot of time together. My brother, John, and Jason were friends at a very early age.

I was so happy when Wanda joined facebook and I connected with her once again. My mom, Mary, and I recalled many happy memories at a couple of lunch dates we were fortunate enough to have with Wanda during her visits to Arkansas from Alaska. At one lunch, we were happy to meet her husband, Leo.

My family will always treasure the friendship we had with Wanda - she was a special lady and I loved her dearly. Our entire family will forever remember Wanda as the fun-loving, caring and beautiful lady that she was.

Wanda is my Aunt, she was 5mo older, we used to get quite a laugh from that.. Got started in Ancestry.com recently, and was hoping to get to talk to her soon. Sadly, waited too long. Always had a large heart, you will be missed. Lov always, your Nephew, Roy

So sorry to hear of the passing of this wonderful, loving, passionate woman. She was a wonderful sister-in-law and friend.
