“ *There are very few funerals where everyone truly knows that the words spoken are the words that describe and represent the man. He was that man. I have so many good memories, they will last me my lifetime. I hope one day I can be just like him. Books are written about great men like him; he should have his own library.*

“ *So sorry to hear of Dubs passing, even though we know that heaven gained a great man. He was as fine a man as there was, and all who knew him will miss him greatly. Our prayers are with the family during these very difficult times, we pray for comfort for you all.*
