“ *I remember coming to Hoxie with Ma Sconce on the train to visit the Aunt Bell's family and staying a few days with you. I felt so welcome and had a wonderful time playing. The times you came here and when the families met, I'm not certain where but I remember playing, I had a wonderful time. My mother, Reva, wrote Wilma as long as Mother was able. Daddy, Jesse, thought highly of your dad and mom, and we always looked forward to any time we could spend with your family. My aunt Lucille (Sconce) Hoffer called to tell me the news last night. She spoke of how much she enjoyed writing and talking to Wilma. She said Wilma was really excited about a new great-grandchild what is about to be born. I want you to know that although it has been years since I've seen any of you, my love remains and your family is in my prayers.*

“ I am so sorry I can't be there. I know all of you know how I feel about Wilma. I am going to miss our phone calls. I am so glad I got to visit with her last week. Everytime I left from a visit with her we both had misty eyes knowing we might not see each other on this side of life again; but we both have the hope of seeing each other in Heaven. To Joan, Jerry, Debbie and Charles I hope you can think only of the good times and how much Wilma loved each of you. To Terry, Jennifer, Faris and Merilee, I want you to know how proud she was of each of you. Our conversations were often centered on when she got to spend time with you or what was going on in your lives. I think one of her greatest joys was when her precious Henry and Katherine came along. I don't think we ever had a conversation after their birth that we didn't talk about them.

Wilma was the greatest friend I have ever had. We talked about our joys and our sorrows; we laughed and cried together. Thank you God for sharing her with me the last 25+ years. She will be in my heart forever.
